- Waste Bins (especially near the car parking area)

ENVIRONMENT

Waste Management

- Dog Poo Bins

Paths & Routes

- Change stiles to gates to improve access (assists elderly and dogs)
- Consider additional permissive path and the infrastructure to install
- Create additional safer horse riding paths to remove from fast roads
- Information Boards on path and local history (see Business)

EDUCATION

Local School

- Playground Equipment
- IT Equipment

BUSINESS

Pub (encourage more users)

- Suggested Walking Route information boards by conifer tree or elsewhere with local information
- Improve the Children Play Area
- Bike Racks (temporary or permanent to encourage cyclists to use facilities)

Farms

- Support Farm Open days
- Provide Equipment for School & other public visits to improve education

Village Hall Users

- Hall equipment to assist existing users (see Village Hall) or encourage new users

HIGHWAYS

Signage (permanent or Temporary)

- Memorial Road during Cricket Matches
- East Lane during road closures
- Advising on Parking by Cricket Pitch or not parking on Common

Village Gates

- To be sited at locations in the village to both modify traffic speeds and increase significance/appearance of the area

Grit Bins

- Additional requirements – Higher end of Glade Road near Briary Cottages

Parking

- Is there additional Parking required in the Village

Bus Shelter

- Appreciate its only once a day but the “user” is often standing in the rain
